1 dose oral broad spectrum dewormer

Free nail trims while on the Kitten Plan

Sick kitten exam fee at \$28 while on the Kitten plan (regular price \$44.50)  
Kitten plan extends from first visit to the last visit at approximately 4 months of age.

**\$99 total**

## Premium Kitten Plan

All Indoor Kitten Plan services

2 Feline Leukemia Vaccines if needed

Spay or neuter surgery with:

- Pre-anesthetic blood screening
- Pain injection
- IV catheter with IV fluids during surgery
- Post-operative pain medication

**\$239 total for males**  
**\$269 total for females**

## The Outdoor Lifestyle Kitten Plan

All Indoor Kitten Plan services

2 Feline Leukemia Vaccines (strongly advised for all cats who may go outdoors)

**\$129 total**

Outdoor and Indoor Plans can be paid in up to 3 equal installments with payment due at visits. Premium Plan can be paid in 4 installments with last payment due on the day of surgery.

Any additional services are at additional cost.

No cash refunds if services are not used.

Surgery must be scheduled within 1 month of the last vaccination for the Premium Kitten Plan.

Additional charges may apply if the kitty is in heat or pregnant.
